President's Message

Dear Friends of Winnipeg South,

I would like to take this opportunity to wish our members all the best for 2016. May you experience good health, happiness, and fulfillment in the year ahead.

It is an exciting time for Liberals as we start the year with a strong new government, a vibrant and dynamic Prime Minister, and our very own Member of Parliament, Terry Duguid, Parliamentary Secretary to the Minister of Families, Children and Social Development. It was great to see many of you at the open house for his new constituency office. I look forward to seeing many of you regularly at Winnipeg South Federal Liberal Association meetings and events.

There are a number of exciting events coming up: a delegate selection meeting for the LPC(M) AGM and national convention the Winnipeg South Annual General Meeting, LPC(M) Annual General Meeting, and the National Convention – to be held right here in Winnipeg this year. What a great time to be involved!

Please read notices that come to you carefully, so you don't miss out on any of these important events.

We all know there's a lot of work to do in the next four years... and that includes making sure that the Liberal Party is ready to win the next election so that MPs like Terry Duguid can continue to do all their good work!

The Victory Fund is the simplest and most affordable way to support the Liberal Party and help pursue our goals both nationally and locally.

The Victory Fund works like this:

- You make small, monthly contributions of \$10 dollars or more;
- Part goes to the national office and part goes to the riding of your choice.

Your personal contributions not only help the Liberal candidate in your riding but also allow the party to develop the policy that will help build a better Canada and share our vision from coast to coast to coast.

After a year-end tax credit of up to 75 per cent, your minimum \$10 monthly donation to the Victory Fund will cost you as little as \$2.50 per month – less than 10¢ a day! – to help build the Canada you want. Give to the Victory Fund and help build the Canada of tomorrow, today. <https://action.liberal.ca/en/VictoryFund>
